

Congratulations, you've just taken your first step to becoming a certified SCUBA diver.

Your class will consist of six training sessions (2 academic, 2 pool and 2 open water dives). When you're ready to sign up, simply call Gulf Coast Divers to schedule your personal class registration appointment. At your appointment we will go over class schedules, start your student training record, and personally fit you with the necessary equipment for class. If you already have some equipment we ask that you bring it at the time of sign up. This way we can do a safety check to be sure it's in safe, working order for SCUBA.
